

Wireless Emporium Catches Bieber Fever

, WirelessEmporium.com Launches New Wireless Accessories Website

Orange, CA – Wednesday, April 27, 2011 – Justin Bieber is coming to Wireless Emporium! In an effort to offer the most in demand cell phone accessories on the market, Wireless Emporium is collaborating with MusicSkins LLC to bring a full line of music, fashion and film themed decal skins to its already impressive lineup of cell phone accessories. Wireless Emporium will feature skins compatible with 136 different devices and will range from classic rock icons like the Beatles and the Who, to punk royalty like the Sex Pistols and the Misfits. Several contemporary artists are also featured on the decal skins like Jay Z, Linkin Park, and Taylor Swift.

The line extends beyond music, encompassing pop culture, pop art and designers like Ed Hardy who have teamed up with the decal skin company to provide truly original designs for multiple cell phone models. You will be able to feature a Kardashian on your iPhone or a Rogue Status fashion decal skin for your Blackberry Storm. You'll be able to fist pump with pride thanks to a complete line of Jersey Shore skins. MusicSkins.com is constantly updating its selection with mainstream artists, shows, and pop culture icons, and Wireless Emporium will carry their full line of products.

In total, Wireless Emporium will be adding 153,000 new products to their inventory, bringing the total number of cell phone accessories offered on their website to over 200,000, helping them to retain their spot as the online industry leader in cell phone accessories.

About Wireless Emporium, Inc.

Established in 2001, Wireless Emporium, Inc. is a recognized leader in the cell phone accessories and unlocked cell phones market supplying over 30,000 manufacturer-direct products to consumers, businesses, education and government institutions through a portfolio of leading E-Commerce web sites. Their manufacturer-direct product line includes cell phone covers, chargers, batteries, cases and faceplates, screen protectors, bluetooth headsets, data connectivity products and unlocked cell phones at discount prices. The company backs every order with a 100% customer satisfaction guarantee, extended manufacturer warranties and free first class shipping, policies which have set them apart from other online retailers and helped earn over 1 million loyal customers in the US and Canada.
